

Rugby Goggles – Which Size?

The Rugby Goggles 2.0 comes in two sizes, **Size A** and **Size B**

Measure your head circumference

Head circumference	Size
Less than 500 mm	Size B
In between 500 mm and 520 mm	Either Size B or Size A*
Greater than 520 mm	Size A

** Please consider the comfort of the goggles previously worn as well as the potential growth of the head expected due to development/age.*
